

Dreams

The theme for this class is Dreams. We'll explore individual artists and artistic traditions from around the world that manifest dreams in the material world. Dreams can be:

Nightmares

Things that terrify us. Nightmares in art are a way to exorcise demons.

Aspirations

Dreams of a better world or personal success

Instructions and Symbols

Directions on how (or how not) to live your life

Surreal

Leftovers from the waking world thrown together in a tossed salad

Le ciel

L'oiseau

La table

L'éponge
